

Vera Wiedermann Ceramics

DECLARATION OF CONFORMITY

for materials and objects made of ceramics,
which are intended to come into contact with food

I hereby declare that all ceramic objects manufactured and sold by me comply with the legal regulations for food contact materials, the Ceramics Regulation (BGBl. No. 893/1993 in the version BGBl. II No. 259/2006).

Only food-certified glazes are used on stoneware (fired waterproof). This means that no liquids, acids, dishwashing residues or food residues can penetrate the ceramic.

All glazes have been tested by AGES (Austrian Agency for Health and Food Safety - Institute for Food Safety Vienna). The test report was issued on November 21, 2023 and is listed under order number 23141449.
